

Shared Mobility Pledge: Employer

Below you will find a list of example pledges that you can choose to sign up for or you can use the boxes to create your own pledge. Once you have decided which pledge/s you wish to take email the form to antonia@como.org.uk and she will get in contact with you.

Key components to maximise the potential of shared transport

Pledges

Select your pledge

Expand shared mobility services in a sustainable way

Provide practical support to local shared mobility services such as car parking space.

Create a mobility policy which incentivises staff to use sustainable modes including shared mobility services rather than private cars

Shared company pool fleets through car club platform for use by public out of office hours

Commitment to promote the organisations experiences as a case study to other parts of the company and beyond

Commit to replacement of authority grey fleet and reform staff and business travel policies

Support employees on low incomes to access shared transport

Minimise environmental impacts of travel

Provide inclusive travel

Have quality and convenient services

Being a partner in piloting of new innovations e.g. hosting EV vehicles, promoting new services to staff

Integrate shared transport with public transport

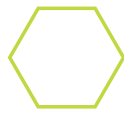

Provide staff with discounted access to local transport apps or cards

Support provision of space for access to sustainable and shared mobility services

Integrate shared transport into planning processes for new developments
